Action Properties, LLC
110 N. Jerry Clower Blvd.
Yazoo City, MS 39194

Dear A. G.,

I'm writing to let you know how much we appreciate what you have done in Heber Springs and Cleburne County. Your Stage Plaza development has had a positive impact on economic development on our area. The old 'Price Chopper' building that you transformed into Stage Plaza had been a vacant "eyesore" for many years and was one of my first priorities as Economic Development Director. Besides providing jobs in this community it repurposed a highly visible building.

Judge Dill, Mayor McPherson and I have enjoyed working with Action Properties and everyone involved with your project.

A.G., please feel free to use this letter as a reference for any future projects you might be involved in. If you need any other references please don't hesitate to have anyone contact me.

Sincerely,

A handwritten signature in black ink that reads "Jim Jackson". The signature is written in a cursive, flowing style.
